CARTER'S SPANISH MIXTURE.—
THE GREAT PURIFIER OF THE BLOOD.—Not a particle of Mercaryinit.

Medicines containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The Forkst Wing is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of which it is composed. The Forkst Wing combines the virtues of the Wild Cherry, Dandelion, Vellow Dock, and Sarsaparilla!

with other valuable plants whose properties are still more effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sicknoss, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health.
